\$500 A HOGSHEAD.

Cynthiana Democrat.

Jerry Sullivan, at Centerville, has the prize so far as we have heard on the sale of a hogshead of tobacco this year.

One hogshead which was taken from his samples in the Burley Society brought 30 cents a pound, and was short only \$1.50 of yielding him the nest sum of \$500. That sure is going some.

BE OPTIMISTIC!

With \$1 corn, with 90c wheat, with 65c oats, with the Banks full of money ready to loan, with favorable crop reports from every section, with the sun shining and the birds singing, with nothing to do but work just the same as we used to, results will come. Mr. Farmer, things are coming your way right along. Stop your growling and come in and buy. Results are coming every day. The results you want are a good price for your crops and favorable weather. You are getting them. The results we want are plenty of customers and good, up-to-date, salable Goods. We have them. Our Buggy Sales have been a splendid success so far. Lots of satisfied customers around the different sections of the country can verify this statement. We still have some more on hand, good ones, and are determined to CLEAN UP. We don't want to have to carry over a SINGLE job this coming winter. Go they must, and to make them go price is not to be considered by us and, if the conditions demand it, actual cost. Try us.

Rav. George H. Harris tomorrow will begin his duties as Assistant to Dean Capers, Rector of Christ Church Cathedral at Lexington. Mr. Harris will not move his family from Maysville to Lexington before October.

At Cynthiana Monday, Hon. James N. Kehoe, candidate for Congress from this District, is billed to make an address at the Opera-house in that city, and Hon. Edgar Hager, also a candidate, will speak at the Courthouse at the same time and place.

Mr. James C. Cord of Fleming county was in Maysville yesterday and informed THE LEDGER that he had just finished harvesting his wheat crop of 69 acres. Thirty acres of it yielded 25 bushels to the acre; 9 acres 36 bushels to the acre of improved Fuis wheat, and 30 acres produced 10 bushels to the acre of old Fuis variety. The entire 69 acres yielded 1,374 bushels, or just a fraction under 20 bushels to the acre. Mr. Cord also yesterday shipped 15 head of fat hogs to the Cincinnati market, all of which go to show that he is a worker and a progressive farmer.

Andrew Lyons, aged 33, a Flemingsburg Negro, was overcome by the heat Thursday in Covington and taken to the St. Elizabeth Hospital.

WHIPPING CASE

Trial Begun in this City Yesterday Before 'Squire Boyer

The examining trial of Ben Cole and Hayless Wilson, arraigned for confederating together for the purpose of injuring another, was called in the Magistrate's office in the Courthouse Building yesterday morning at 10 o'clock. 'Squire Pickrell vacating the Bench for 'Squire John W. Boyer, before whom the case was tried.

The seriousness of the offense—there being a penalty of from one to five years in case of conviction—attracted many persons to the trial Court, a large number being unable to gain entrance into the room.

County Attorney Thomas D. Slattery represented the Commonwealth, while Hon. A. D. Cole guarded the interests of the defendants.

Owing to the serious illness of one of the most important witnesses for Bayless Wilson, and by general consent of both sides, the hearing in this case was postponed to a future date.

Testimony and arguments were heard in Cole's case, the 'Squire withholding his decision in the matter until August 20th, at which time he will hear the Wilson case and render a judgment in both cases at the same time.

It is an unfortunate state of affairs, and whatever may be the outcome of the cases in hand, it is to be sincerely hoped a similar offense will never occur again in Mason county to mar its good name.

THE other Nations of the earth, including the U. S. A., will wake up some day and discover that President CASTRO of Venezuela has a few rights which he is justified in maintaining. CASTRO is little, and his country is little, but oftentimes it's the big bluffers who are wholly wrong.

THIS is the era of the "injunction." What we need is a divine or an oracular interpretation of the injunction. Its status should be settled for all time. It is getting so now that one can sue out an injunction against anything and everything or anybody.

Even the Federal Government is not exempt from the clogging operation of the injunction, and some of these days, if the thing goes on, we may expect to see the injunction used as a partisan weapon to estop Congress from legislating or the august Supreme Court of the United States from sitting. The status and scope of the judicial injunction should be settled and outlined.

Nobody knows just where he is at when he is entangled in the mazes of a restraining order, a mandamus or an injunction.

From war, pestilence, sudden death and—the American injunction may the good Lord deliver us.

Imagine King SAMUEL GOMPERS dispensing injunctions and hurling this partisan weapon at the head of organized industry.

THE TACTFUL DOCTOR.

Success Magazine.

A physician in a small town in Northern Michigan got himself into a serious predicament by his inability to remember names and people. One day, while making out a patient's receipt, his visitor's name escaped him. Not wishing to appear so forgetful, and thinking to get a clue, he asked her whether she spelled her name with an e or i. The lady smilingly replied, "Why, doctor, my name is Hill."

RUGGLES CAMPMEETING

What Is Going On Now at These Beautiful Grounds

RUGGLES CAMPGROUNDS, July 23d, 1908.

It is with pleasure that we chronicle the opening of another meeting at these Campgrounds. For thirty-four years people have assembled annually at this place and at this time of year to enjoy the glorious meetings that from year to year have been held here.

There has been a continuous forward movement from the very beginning in everything that appertains to the success of the work. The grounds are prettier each year. New improvements are added and everything that could be done for the spiritual, intellectual and physical good of the people has been done.

This, the first day, has been a good one. The weather in the forenoon was clear and in the afternoon a fine rain fell, which will brighten up things just right for Sunday.

Rev. F. W. Harrop, who is in charge, started the meetings at 10 a. m. It was a meeting of preparation. He called on several to answer the questions concerning these meetings, "What they ought to be and what they may be." In the discussion some splendid thoughts and ideas were expressed by the Ministers and laymen present. Rev. Harrop closed the discussion with some very enthusiastic and optimistic remarks.

Rev. G. W. Banton led the young people's meeting at 3 o'clock, which was taken up principally with singing new songs from the new song book to be used during the meeting. The fact that Rev. Banton is to have much to do with the young people's meetings is a guarantee of their success.

At the evangelistic service at 7:30 the Rev. William Jones of Ludlow preached a very earnest and practical sermon from the text, "Let this mind be in you which was also in Christ Jesus."

The attendance at these meetings have been as good as any of previous years. The children's meetings are to be held each afternoon at 1:30 and will be ably looked after by Mrs. John Bentz of West Covington.

We are looking forward anxiously to the coming of Bishop Moore tomorrow evening. The Bishop is not a stranger to Ruggles Campground, he having visited here several times while Editor of The Western Christian Advocate. He is a great Preacher and since his election as Bishop he has traveled considerably in the Orient, and with his enlarged experience we are sure of a great treat when we hear him.

The following Ministers are on hand at present: Revs. F. W. Harrop, Letonia; G. W. Banton, Maysville; W. H. Davenport, East Maysville; W. H. Morris, Tollesboro; G. O. Wagoner, Wallingford, and William Jones, Ludlow. Others are expected daily.

Maysville never fails to contribute her quota of campers. We note the following here at present: John Crano and family, W. Fred Thomas and family, Mrs. J. H. Dodson and daughters, Ward Nash, Miss Della Goodwin, Mrs. T. J. Winter, Mrs. B. P. McClanahan and son, W. P. Bowman and family, Mrs. Ira Newell and children, Mrs. W. B. Tully and family, Miss Anna R. Smith, Mrs. Leu Purnell, Rev. Davenport and family, Rev. and Mrs. G. W. Banton, M. A. Wallingford and J. H. Richardson.

Mr. W. P. Bowman is one of the proudest men on the grounds by reason of lately coming into possession of one of the most handsome gold-finished cornets made. It is the "Cougler" model, and in tone and finish seems to be about as fine as possible to make them. As our cornetist, Mr. Bowman is prepared to give us the very best.

Messrs. Reed Richardson and Glen Marsh of Moransburg were visitors on the grounds today.

Rev. Davenport has as guests for the Campmeeting his son, Mr. James Davenport, and wife, of Ashland, Mr. Herbert Barber of Ashland and Miss Minnie Ryan of East Maysville.

Much regret is expressed on account of the absence of Mr. I. M. Lane, who is kept from us by reason of recent injuries. It is hoped by all that he will sufficiently recover to be with us soon. Speaking of Mr. Lane reminds us of the kind and thoughtful regard our good Pastor, Rev. Banton, has for Mr. Lane. The other day the Reverend gentleman, knowing Bro. Lane's fondness for young rabbit, proceeded forthwith to get one, and the following day he hastened proudly to Bro. Lane's home with his game and said, "Here, Bro. Lane, is your meat—a fine young rabbit." After Bro. Banton had departed Mr. Lane critically examined Mr. Rabbit and found that if Mr. Rabbit had attempted to vote his vote would never be challenged on account of his age. Mr. Lane thinks the Pastor is a better judge of sermons than he is of rabbits. J. H. R.

Mr. W. C. Beard of Catlettsburg, formerly of this city, attended a family reunion at the home of his parents at Junction City this week. It was the first time that all the members of the home circle had been together in thirty-two years.

REV. P. T. HALE

Prominent Minister to Preach Tomorrow at First Baptist Church

The Rev. Dr. P. T. Hale, Corresponding Secretary of the Baptist Educational Society of Kentucky, is to preach in the Baptist Church tomorrow, morning and evening. Every member of the Church is urged to be present, also a cordial invitation is extended to the entire public.

About two years ago a good layman of Williamsburg, Ky., offered the Society 4,000 acres of coal land in the Jelico coal field, provided it would raise \$100,000 additional endowment for Kentucky Baptist Schools and Colleges. Dr. Hale was immediately called from one of the leading Tennessee Colleges to raise this amount, which stupendous task he has accomplished save about \$50,000, which will, of course, be raised within the next few months.

TESTED AND PROVEN

There is a Heap of Solace in Being Able to Depend Upon a Well-Earned Reputation.

For months Maysville readers have seen the constant expression of praise for Doan's Kidney Pills, and read about the good work they have done in this locality. Not another remedy ever produced such convincing proof of merit.

Mrs. John E. Burns, living in the Western part of Maysville, Ky., says:

"I value Doan's Kidney Pills just as highly today as when I gave a statement in their favor some years ago. Prior to their use I was subject to frequent attacks of kidney trouble. At times the pain in my back was so acute that I was rendered almost helpless and confined to my bed for days at a time. The quick and decided relief I obtained from Doan's Kidney Pills, procured at J. W. Wood & Son's Drugstore, was very gratifying, and during the years which have elapsed I have had no serious return of kidney trouble. On some occasions I have felt a slight backache, but a few doses of Doan's Kidney Pills have never failed to ward off any serious trouble."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

About a year ago Mrs. John Burns, who resides in a pretty home in the Western part of the city, misplaced a handkerchief in which she had wrapped \$40 of Uncle Sam's good money. After diligently seeking in every imaginable place where she thought it possible she had placed it and failing to locate the valuable handkerchief, she finally gave it up as lost. While rummaging the other day imagine her surprise and joy in discovering the lost treasure in its forgotten hiding place intact and just as she had placed it. Hereafter our good friend will be more careful how and where she hides her money.

THE REAL TEST

Of Herpicide is in Giving It a Thorough Trial.

There is only one test by which to judge of the efficiency of any article and that is by its ability to do that which it is intended to do. Many hair vintners may look nice and smell nice, but the point is—do they eradicate Dandruff and stop falling hair? No, they do not, but Herpicide does, because it goes to the root of the evil and kills the germ that attacks the papilla from whence the hair gets its life.

Letters from prominent people everywhere are daily proving that Newbro's Herpicide stands the "test of use."

It is a delightful dressing, clear, pure and free from oil or grease.

Women Inclined To Constipation

Great Care Should Be Taken Not to Use Violent Cathartics

Women, owing to their peculiar functions, are more or less liable to constipation and many of them owe their continued ill health to the pill habit. A well known physician lays the majority of cases of foul breath, bad complexion, disordered stomach, sick headache and female weakness to constipation and the constant use of violent cathartics to overcome it.

We believe women will be glad to learn of a safe reliable bowel and stomach remedy that is pleasant to take and that the first few doses will certainly produce natural daily movements without pain or gripe and in a short time establish a permanent cure. It is so effective it has cured cases of 60 years' standing and yet so mild and safe thousands of mothers give it to their babies. Jennie Gresham, Nashville, Tenn., says: "I suffered almost death with torpid liver and indigestion and Dr. Caldwell's Syrup Pepsin gave me quick relief." Sister M. Berchmans, of Mt. St. Mary's Academy, Oklahoma City, says: "We have found Dr. Caldwell's Syrup Pepsin satisfactory as a gentle laxative and stomach tonic." Mrs. Myrtle Nether, Chicago, says: "My daughter was troubled since birth with constipation and sick headache. Dr. Caldwell's Syrup Pepsin cured her." Mrs. W. M. Powers, New Philadelphia, Ohio, says: "It is the best remedy for constipation and stomach trouble I have ever used." Mrs. R. H. Brown, Adirondack, Okla., says: "It gave her prompt relief from constipation and torpid liver. Mrs. Isabella Wheeler, Freetown, Ind., says: "Twenty-three years ago I was taken with stomach trouble. Three years ago I had become so weak I could hardly walk. I took Dr. Caldwell's Syrup Pepsin and today am as well as ever." Druggists sell it at 50c and \$1.00 per bottle.

We are glad to send a free sample to any one who has not used it and will give it a fair trial. Address Pepsin Syrup Co., 305 Caldwell Bldg., Monticello, Ill.

There is more Cardui in this section of the country than all other remedies put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Cardui to be a constitutional disease and therefore requires constitutional treatment. Hall's Cardui Cure, manufactured by F. J. Cheney & Co., Toledo, O., is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. Graduating Time :-:

There is nothing which would please the graduate more than one of our Solid Gold Watches or perhaps a Diamond Ring, as they are things which can be kept a life-time and recall the wearer of those happy school days. We also have a full line of Gold and Silver Novelties, which has made our store famous for its up-to-dateness.
